IT STARTED WITH A CAKE POP

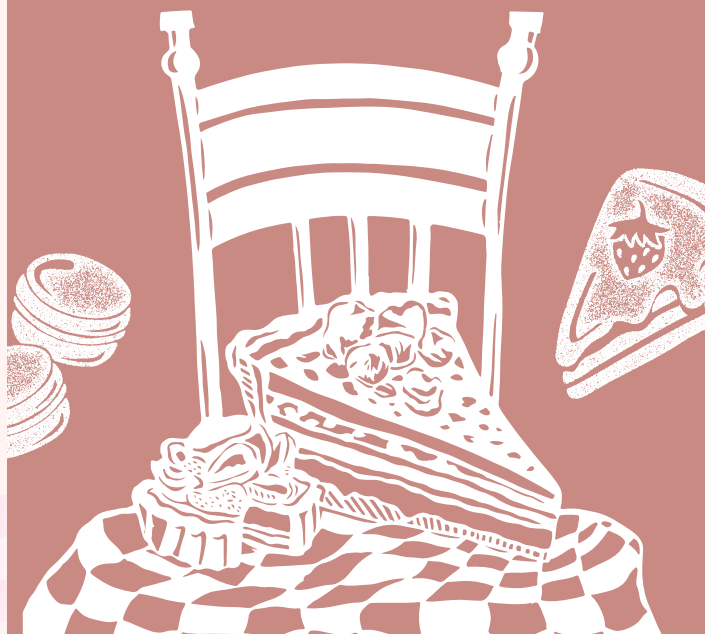

SWEET GOODNESS CAKE CO.'S ORIGIN STORY

"It started with a cake pop. 10 years ago I was at a family Christmas celebration, and my aunt brought snowman shaped cake pops. I had never seen a cake pop before, but I set out on a mission to make these tasty little morsels on a stick! Needless to say, my first attempt wasn't great; They tasted delicious, but they didn't look very pretty. Through trial and error I perfected them.

I received my first order from a family friend and was soon busy with my so-called hobby. In 2018, I made the wedding desserts for both of my sister's weddings. From this, I started receiving orders for cupcakes. I started going to vendor events, always selling out before close. At this point, everyone knew me as Marlene's Sweet Treats.

In 2021, I decided to pursue a mobile cake trailer! In 2022, I made my first wedding cake. By October 2022 I turned my hobby into a business. At the start of 2023, I was still working my 9 to 5 job. I felt stressed not wanting to quit my day job, but was very overwhelmed with my new business. I prayed to God to show me the next step in my life.

Suddenly, Justin Mast, Executive Director, showed up and I inquired about the new coffee shop coming to Coppes Commons. Needless to say I decided to pursue my brick + mortar cake shoppe. Having something to call my own has been incredible, as I can build my business and meet new people along the way."
